

GET JAZZED

on Healthcare for the Homeless!

Benefits Shelter Health Services, free clinic for homeless women and children.

◆ Featuring JAZZ at its Best

THE SONG PROJECT

Mark Rapp on trumpet and didgeridoo.
Derek Lee Bronston on guitar and vocal.

The genre in a broader sense, can be called jazz and is a blend of improvisation, singer/songwriter, rock, ambient sound and even includes a taste of New Orleans. Mark lives in Geneva Switzerland and Derek in NYC. They are donating their musical talents.
